Old & Unfinished Business

- 'What I Wish I Knew About College Planning' – Thursday, 10/11/18
 - About 75 people attended; Beth Kreusch/Mike Gamilli/Esti Ollerman presented; Change format to participant Q & A first

EPHS Updates - Robb Virgin, Principal

- Resource Centers – Staff frustrated because no full-time employee staffs areas. Each department has specific needs:
 - English – How do we check out books
 - Science – Closed right now
 - Math/Social Studies – Seems to be running fine
 - Possibly redesign one and assess how it works since each will run differently. Maybe start with English?
 - PTO to try to drive volunteers to resource centers and try to streamline English department first
